"Smart Snacks in Schools" is a new standard that will be applied to all snack foods and beverages sold to children at school during the school day. The health of today's school environment continues to improve. Smart Snacks in School support efforts by Cafe #110, school administrators, teachers, parents and our community to instill healthy habits in students. Nutrition Standards for allowable Snacks & Beverages are well defined: they all have calorie, sodium, fat & sugar limits, must be whole grain rich, or have fruit, vegetable, dairy or protein as their first ingredient.
